Craggaunowen

Explore Our Celtic Past...

Craggaunowen - the Living Past Experience is Ireland's original award winning Pre-historic Park. Situated on 50 acres of wooded grounds, the park interprets Ireland's pre-historic and early Christian eras. It features a stunning recreation of some of the homesteads, animals and artifacts which existed in Ireland over 1,000 years ago.

See the **Ring Fort**, the **Fullacht Fiadh** (cooking site) and the **'Brendan Boat'** - a leather hulled boat built by Tim Severin who sailed across the mid-Atlantic re-enacting the voyage of St. Brendan and the early Christian monks reputed to have discovered America centuries before Columbus.

The **Crannogs** (lake dwellings) have recently been reconstructed and are just waiting to be explored!

Visit **Craggaunowen Castle** built in 1550 standing defiantly on a crag overlooking the lake. See rare animal breeds - specimens of the pre-historic era.

Enjoy the fresh air and lake walks in a most enjoyable rural setting.
